TREAT YOUR CLIENTS LIKE GOLD AT THE WINTERGARDEN RUNWAY LOUNGE

For the first time, Mercedes Benz Fashion Festival – Brisbane has introduced a limited amount of Gold Passes specially tailored for corporate entertainment.

What better way to impress your clients than to be seen amongst the stylish set where you can talk business over cocktails followed by a show at Queensland's premier fashion event?

There's a reason your clients are drawn to your company over any other; because it is unique, memorable and offers them something they cannot experience elsewhere. Your corporate events should match this, so treat your clients to something different and truly spectacular. Court them in style and indulge in the ultimate mix of business and pleasure with a Gold Pass to Mercedes-Benz Fashion Festival – Brisbane.

Festival Director Lindsay Bennett says that the Gold Passes are a wonderful addition to the wide range of ticket packages already on offer. "The Festival has always been about allowing consumers to feel apart of the fashion industry and see first hand the latest spring/summer collections as they hit stores. And these Gold Passes are a great way for companies to take their clients out for a unique night where they too can be amongst something spectacular in a world-class arena and give their meeting a glamorous edge."

The Gold Pass is just \$115 and gives you access to the Wintergarden Runway Lounge one hour pre-show, where you will enjoy delicious cocktails and canapés; then take your VIP seat at one of the Fashion Festival's incredible runway shows.

This is without doubt one of the most unique ways to spend a productive yet indulgent evening entertaining your clients and tickets are selling fast, so be sure to secure your position. The Wintergarden Runway Lounge is located at Lyrebird Restaurant, QPAC
